Component 3

Advance Information will apply to component 3 Theatre Makers in Practice only.

Advance information will be provided for Section B: Page to Stage: Realising a Performance Text and Section C: Interpreting a Performance Text only.

Advance Information will provide an extended version of the extracts used in the specified exam sections. The advance information will set out the start and end points of a section of the set text. The specific extract that will be assessed in the exam will be taken from this section.

Due to the nature of the question in Section A: Live Theatre Evaluation, advance information is not being provided for this section.

The following areas of content are suggested as key areas of focus for revision and final preparation, in relation to the May–June 2022 examinations. An extended extract is given below for each set text in Section B and Section C.

The extract featured in the exam will be taken from this extended extract of the text. The format of the exam paper and the length of the extracts given in the exam will remain consistent in length with previous exam series. Students may focus their revision on these specific extracts, but it is still important to understand these in the context of the whole text to both answer questions in the assessment and support their progression.
