10<sup>th</sup> November 2017

Dear Parents and Carers,

**Science GCSE Workbooks**

Earlier this term in preparation for the summer GCSE Science examinations we provided each student with a CGP GCSE Science revision guide covering everything they need to know to succeed in their examinations. Alongside the revision guide, CGP also produce a workbook for £6.00 providing additional practice in answering examination questions. The answer book is sold separately for £1.00.

*\*As an Academy, we are able to offer the GCP workbooks and answer booklets at a discounted price.*

There are also Booster workbooks available (with answers included) for Biology, Chemistry and Physics, aimed specifically at grade 5 and also at grades 8/9. All Ripley Academy students have the ability to achieve at least a grade 5 in GCSE Science. Many set one students should be aiming for a minimum of a grade 8 or 9. These Booster workbooks provide practice opportunities for both short and long-answer questions as well as helping students improve and focus their responses with worked examples to the specified level.

The Ripley Academy, Peasehill, Ripley, Derbyshire, DE5 3JQ.

If you wish to purchase any of these workbooks, please complete and return the attached slip to your Science Teacher before 3pm on Friday 1<sup>st</sup> December 2017. If you require any assistance in deciding which publisher or tier is most appropriate for your child, please do not hesitate to contact either your child's Science Teacher or myself (sfidler@ripleyacademy.org).

Yours sincerely
