Dear Students

I am writing to say a big thank you for all the hard work you are putting into your home studies. Your teachers have very much enjoyed receiving the work you have been completing this week, seeing the efforts that you are going to is wonderful.

It is now important to keep on top of your studies over the next few weeks to ensure you don't fall behind and create gaps in knowledge that become difficult to fill later on. The summer term is a significant time in the school year where your teachers begin to prepare you for what is to come in the next academic year. Staying on top of the work teachers are providing you with will help to prepare you for your future studies, and put you in the best possible position when you return to school.

Remember as Mr De Rijk mentioned in a previous letter to you, the easiest way to stay on track is to get into a routine of completing some tasks each day, just as you would in school. If you have any problems or concerns please continue to contact us through email on studenthelp@ripleyacademy.org.

Thank you once again for all of your fantastic work so far.

Yours sincerely

PP
