Dear Parents and Carers

I am writing to introduce the new 'ResourceHub' that will shortly be available for students on the school website.

Following the Easter break some curriculum areas will move to project based work rather than the current lesson by lesson task approach.

The ResourceHub will be a central place to find resources for all subjects. Show My Homework will continue to provide information for students but will often direct them to useful resources in the ResourceHub.

Resources will be organised by year group and subject, to access the ResourceHub there will be a link from both the homepage and student section of the school website <https://www.ripleyacademy.org/>.

If you have any further queries, please continue to contact us on studenthelp@ripleyacademy.org.

Yours sincerely

Mrs J Thawley
