Dear Parent / Carer

## Gallery of Student Work

I hope that you are all well and have adjusted to these strange times that we are living in.

School is certainly very different at the moment, but our goal is still to ensure that all pupils make the best progress that they can. With this in mind, I have been doing a lot of work this past week monitoring the quality of work set by teaching staff. I have been very pleased with what I have seen and I am confident that students who follow the work set will continue to make good progress during this time. I hope that you and your children are having no problems accessing it and that you are finding it useful.

I would like to thank you for the work that you are doing supporting your child in their learning. With two primary school age children of my own at home, I know first-hand just how tricky this can be (even as a qualified teacher with 22 years' teaching experience!) Your work here is very much appreciated by all staff at The Ripley Academy.

There has been a lot of fantastic work that children have submitted to their teachers and I would like to share this with parents to show just how hard-working and resilient the young people of The Ripley Academy can be. Our students always rise to the challenge and they are continuing to do so, with your support, once again in these difficult times.

The link to this "Gallery of Student Work" can be found in The News Section of the school website. I hope you enjoy looking at it.

Once again many thanks for your invaluable help with the education of your child.

Yours sincerely

Mr J de Rijk

Head of School

The Ripley Academy
