

## **FAMOUS SPANISH PERSON**

**Jorge Garay is a Spanish TikTok star who is famous for his close-up videos recorded to the tune of popular songs. He operates under the account name '@jeyjeygardi' on TikTok and has amassed about 1.1 million fans so far. This young video creator has mastered the art of attracting followers by means of videos depicting him dancing, singing along, applying makeup or doing other simple things to a selection of his favourite songs or tunes from Spanish or international pop artists. Another specialty of his TikTok videos is the close-up shots of his facial expressions reacting to or singing along to the music of his choice. He also makes comedy videos and cosplay depiction videos. He is often seen collaborating with other TikTok stars on his videos. A lot of his videos also show him playing with his hair, eating or drinking. He is popular with young people on Instagram and Twitter as well. He is just a teenager, but his rise to fame has just begun and more original content can be expected from this talented star in the future.**
