

The US:

In 2018 there were more Spanish speakers in America than Spain, Some Americans didn't like people speaking Spanish.

They are more English speakers than Spanish speakers in the US. People speak Spanish in more countries than just America.

C: Colossal creatures once roamed the earth.

U: Under ground is where they now rest.

B: But as time goes on their evidence reaches death.

A: And soon they will be nothing to know the past.
