Dear Parents and Students

This week you will receive information regarding GCSE option choices through the post. This marks the starting point of the GCSE journey for our students.

From Monday 29<sup>th</sup> June, students in Year 9 will begin to study GCSE material for their option subjects. Students will no longer be required to submit work for subjects they are not continuing to study at GCSE. Work for all subjects will still be set via Show My Homework, but students will only need to focus on the subjects they are taking at GCSE.

Details of work for subjects you have not studied before (Travel and Tourism, Business, Health and Social Care, and Photography) can be found on the ResourceHub in the student section of the school website. Work for these subjects can be submitted via email directly to your teacher.

I am including contact details for each option subject. If you have any subject specific queries regarding the work set please use the following email addresses:
