Dear Students

As we enter the final few weeks of the strangest term in my teaching career, I wanted to commend you on your continued hard work and efforts whilst working from home.

In the last three weeks of term I would like you to find the motivation to keep your studies going. I find that setting myself little targets with a small reward at the end useful in avoiding distractions. Make the best of every opportunity that comes your way by attending all of the live Teams lessons offered to you by your teachers. These are such a fantastic way to stay involved and informed whilst you are studying at home. They give you the chance to ask questions and clarify your understanding whilst getting valuable feedback from your teachers. You can use the calendar on Teams to clearly see when your live lessons are scheduled.

I am looking forward to welcoming you all back into school when it is safe to do so, in the meantime please get in touch with us in school if you need any support.

Yours sincerely

Mrs J Thawley
