Dear Parent/ Carer

Maths Equipment reminder

I always find it helpful at this time of year to remind you about the equipment that your child will need for the next academic year. It is important that they have access to the following equipment for their learning both in and outside of school.

Students need the following equipment:

- Pen(s)
- Pencil(s)
- Ruler
- Rubber
- Pair of compasses
- Protractor
- Scientific calculator

Whilst you do not need a specific brand of calculator I have included two links that you may find useful in ensuring your child has the correct equipment for the new academic year:

- [Oxford Helix Maths Set](#)
- [Casio fx-83GTX Scientific Calculator](#)

Thank you for your support and please do not hesitate to contact me if you have any further questions regarding this.

Yours faithfully

pp Ms A Townend

Head of Mathematics

The Ripley Academy, Peasehill, Ripley, Derbyshire, DE5 3JQ.
