Dear Parent / Carer,

Parents' Information Evening

I am writing to you regarding the next Parents' Information Evening that will take place on Thursday 12th July at 6pm in The Hive. There will be four areas of focus this evening led by myself. Mrs Fidler will share the revised Behaviour for Learning policy for September with a focus on rewards. Mr Lipton will then share how students social, moral, spiritual and cultural development is mapped across the curriculum. Mrs Alexander-Brown will explain the careers entitlement available to all our students from Years 7 to 13. Finally, Mr Kingsland will describe the service culture the school is aiming for and will be looking for further suggestions from parents.

I hope that this evening will prove to be informative for you in terms of the improvements we are making and further developments we have planned for the new academic year.

As it is our final information evening of the year there will be wine and cheese as well as soft drinks available for refreshments. I look forward to seeing you there.

Yours sincerely,

Miss J Scattergood
