Dear Parent/Carer,

Free Online Maths Summer Club

Eedi has offered all Year 5 to Year 6 families free access to [Eedi Summer Club](#), a maths summer program **100% free of charge** that will help to boost your child's confidence in maths in preparation for the new school year at The Ripley Academy. Following recent disruption to education due to Covid-19 restrictions, this opportunity could support students with the transition to secondary school.

For any students taking part they will first complete a quick placement quiz to set their work and get recommended topics that will help them improve the most over 7 weeks. Students will get unlimited access to review questions, videos and live chat support with qualified teachers over the holidays. You, the parent/carer, will also get weekly reports on how they're doing.

The minimum recommended work is 1 lesson a week, which should be around 30 minutes of work.

Each week, Eedi will hold competitions to boost motivation and engagement - from who's given the most thoughtful explanation to a problem to what team has the highest amount of points 🚀 ... Plus there are real prizes up for grabs!

Signup deadline: June 27th (Get Eedi Summer Club for free until this date)

Summer Club Starts: July 5th

Summer Club Ends: August 23rd

Sign up on [this link](#) to get the offer automatically applied to your account.

If you have any questions, please contact family@eedi.co.uk directly, or do not hesitate to contact me.

Yours sincerely,

M Prescott
