Dear Parent/Carer

## Young Talent Board

Here at The Ripley Academy we are always keen to celebrate the sporting successes of our students both inside and outside school.

In the foyer of the PE department we have a Young Talent board which we would like to update with new information about our students' sporting achievements, particularly in Years 7 and 8, but not confined to these year groups.

If your child has a particular talent outside of school that we may not be aware of such as representing the county or at a national level, personal accolades and awards, or any other sporting recognitions, we would love to hear about these. For example, we are aware of students in Year 7 who are representing Great Britain in gymnastics and we would love to be able to share this within school.

We would like parents to email [jmctaggart@ripleyacademy.org](mailto:jmctaggart@ripleyacademy.org) with a brief description of the sporting success and if possible, to include a photograph of their child in the sporting context, which would be used for display purposes in school.

I look forward to hearing from you and having the opportunity to share your child's achievements within our school community.

Yours sincerely

J McTaggart  
Head of PE
