**EAST MIDLANDS EDUCATION TRUST** 

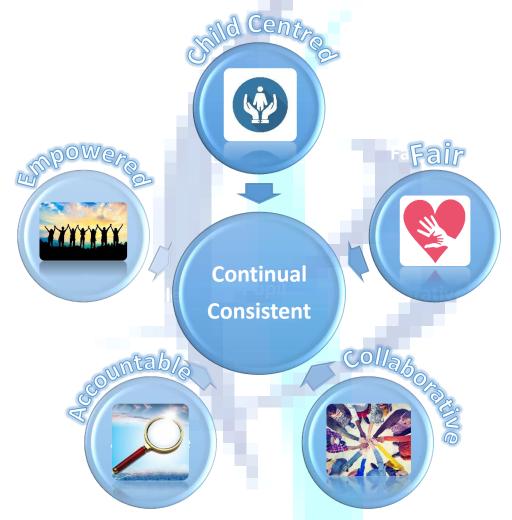

'A trusted, safe organisation where all children, young people and adults at risk of harm, abuse or neglect are safeguarded by staff who feel empowered, valued, and supported.'

A trusted, safe organisation where all children, young people and adults at risk of harm, abuse or neglect are safeguarded by staff who feel empowered, valued, and supported.

EMET fosters a culture where safeguarding is at the heart of every school, every employee and every action.

Trustees, School Leaders, DSLs and all staff share in the belief that confident actions will have a direct impact on the life chances and outcomes for all children, especially those vulnerable or who are at risk of harm.

The power of the Trust is maximised through its commitment to an effective collaborative environment. Children are at the centre of every consideration, system and process. The Trust lens is focussed on ensuring that schools deliver a safe environment for all as part of a vigilant safeguarding culture within every individual, school and Trust.
