We are **AMBITIOUS**. We are **COMMITTED**. We are **PROUD**.

Tuesday 20th June 2023

Dear Parent/Carer,

Year 10 into 11 Intervention Tutor Groups

I am writing to inform you that from Tuesday 27th June we will be creating intervention tutor groups for our Year 10 students. These groups allow our students to receive additional teaching and support with one of their key subjects of English, Maths, Science or Geography each morning in preparation for their GCSE examinations.

This is a proven successful initiative for GCSE students and has been instrumental in supporting students in accelerating their progress in the build up to their GCSE examinations. Individual student progress will be reviewed regularly to ensure the intervention is meeting your child's needs. Some students will remain in one intervention form throughout, whilst others may benefit from attending another subject once they have made sufficient progress in one subject area.

Mr Evans will continue to support our Year 10 students as they move into Year 11 as Head of Year and students will still attend weekly assemblies during tutor time.

Your sincerely,

Mrs J Thawley
Deputy Headteacher
