Dear Parent / Carer,

## Visit to University Search Higher Education Fair – The University of Nottingham

On Wednesday 26<sup>th</sup> June 2024 we are offering Year 12 students the opportunity to visit the UK University Search Higher Education Fair, which is being held at The University of Nottingham.

This visit is an excellent opportunity for our Y12 students to talk with representatives from **all the major Higher Education providers in the country** and this experience is essential for anyone considering Higher education in the future as it will help inform key decisions regarding possible courses and places to study. The H.E Fair also features representatives and Seminar talks from major Apprenticeship providers including institutions offering Degree Level Apprenticeships such as Rolls Royce and JCB. This important event will help students make key decisions about their future.

There is no cost to the student of the visit and we have made this available to all students to ensure they have the opportunity to make an informed choice about their next steps after Sixth Form. Students will be leaving on the coach from school at 9.30am and returning to the school site for 2.30pm. Due to the timings of the event, we recommend that students take some lunch and a drink with them.

Please return the reply slip and medical details to your child's sixth form tutor or Mr Elliott as soon as possible. Once we have a completed permission slip, your child will need to go online to print off their own ticket for the event. Full details of this process will be provided to students in Assembly and if you would like any more information, please contact me at school on 01773 746334.

Yours sincerely,

Mrs Taylor  
Head of Sixth Form
