February 2024

Dear Parent/Carer,

At The Ripley Academy, we believe that anything students can do outside of the classroom to support their education inside the classroom will further support their progress. This will ensure they stand a better chance of success in all their lessons and ultimately their GCSE exams.

Over the last few years, there have been a number of changes to the maths curriculum, and this has had an impact on what students need to learn. Therefore, we are offering students the chance to purchase the latest OCR revision guides and workbooks through the school, at a discounted cost, to use in their independent studying.

All payments would need to be made through ParentPay, we will be checking purchases regularly and then distributing purchased revision guides via their Maths teacher (this should be within a fortnight of purchasing them).

If there are any issues accessing ParentPay then please contact Heather Ford, [hford@ripleyacademy.org](mailto:hford@ripleyacademy.org).

The revision guides and workbooks available for purchase are:

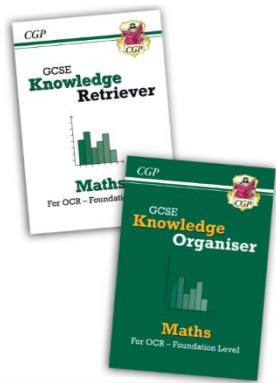

**GCSE Maths OCR Knowledge Organiser & Retriever Bundle – Higher**

**Parent Pay price: £4 (RRP: £7.50)**

The Knowledge Organiser covers all the **key topics**, stripped down to the most vital bits, plus handy examples, diagrams, tables and reminders.

The matching **Knowledge Retriever** makes sure you remember it all, with two memory tests (a '**First Go**' and a trickier '**Second Go**').

### GCSE Maths OCR Knowledge Organiser & Retriever Bundle - Foundation

Parent Pay price: £4 (RRP: £7.50)

The Knowledge Organiser covers all the **key topics**, stripped down to the most vital bits, plus handy examples, diagrams, tables and reminders.

The matching **Knowledge Retriever** makes sure you remember it all, with two memory tests (a 'First Go' and a trickier 'Second Go').

If you have any concerns, questions, or would like support in purchasing one of these revision guides/workbooks then please do not hesitate to contact me.

Yours faithfully,

Ms Townend
