Dear Parent/Carer

Year 7 Parents' Evening – Monday 13th May 2024

It is with great pleasure that we invite you to attend the Year 7 Parents' Evening which will be held on Monday 13th May 2024, 4pm – 7pm, in the Sportshall.

We very much value the vital role that parents/carers play in our school community and this evening provides an excellent opportunity for you to discuss with subject specialists your child's strengths and areas for further work; including your child's academic progress and expected outcomes for the end of year 7. Crucially, these appointments allow us to discuss how, working in partnership, we can best support your child to reach their potential.

Due to the high demand for appointments and to help the evening run smoothly, the allocated time for each individual appointment with a teacher is 5 minutes. If you feel that additional time is needed, we will be happy to arrange a follow up telephone call with the teacher. Appointments can be made using this link to The Parents' Evening System SchoolCloud - The Ripley Academy & Sixth Form or by typing this address into your internet browser (<https://ripleyacademy.schoolcloud.co.uk/>). Attached is a guide with information on how to register and make appointments. If you have any difficulties in making appointments, please contact us and we will be happy to assist.

We understand that sometimes exceptional circumstances occur and if you are unable to attend, please contact us on 01773 746334. This will allow us to contact you in the near future to arrange a discussion about your child's progress.

We look forward to seeing you on Monday 13th May 2024 and thank you for your continued support.

Yours faithfully

Mrs Saccaggi

Head of Year 8
