

Business

■ Remarkable Curriculum ■

Ambition

- We provide a broad and balanced awareness of the everyday importance of business.
- We offer practical examples of skills and experiences relevant in the world of work and enterprise.
- We develop curiosity in students to investigate the business world and explore personal and commercial financial literacy.

Commitment

- We are committed to developing the skills of our students to allow them to excel both academically and socially.
- We are committed to providing opportunities for our students to converse with adults outside of the classroom in order to develop their understanding and participation in the world of business.
- We are committed to providing relevant, current and engaging material to prepare students for the future.

Pride

- We are proud of the relevance of business in the many aspects of society that our students will experience throughout their lives.
- We are proud of the transferable skills that our students are able to use in other curriculum areas such as Mathematics, English, Geography and Science.
- We are proud of the enterprising spirit that we foster in our students, allowing them to become the entrepreneurs of the future.
