

# Modern Foreign Languages

## ■ Remarkable Curriculum ■

### Ambition

- Our ambition for our learners is that they develop foreign language skills which also enhance their language skills in their own first language.
- Our curriculum aims to fulfill, and go beyond, the NC in order to develop ambitious learners who make connections with previous learning and strive for the remarkable.
- Through an inclusive and ambitious curriculum, our aspiration is for all our learners to develop as internationalist linguists with deep cultural awareness.
- Our aim is to help our learners to develop a wide transferable skills set that will develop their confidence in a variety of real life situations.

### Commitment

- Our curriculum is committed to developing culture awareness and internationalism through language acquisition
- We are committed to increasing opportunities for our learners by being better communicators, improving social skills and developing an open mind
- We commit to provide an inclusive curriculum that includes and supports all learners to be ambitious
- Our commitment is for learners to develop knowledge and interest within a culturally rich, international and engaging context
- With our support, we ask our pupils to commit to being ambitious, open minded and adventurous.

### Pride

- We support learners to develop pride in internationalism and the understanding of countries and communities where the target language is spoken.
- We aim to develop pride in knowledge of language and culture in our learners – including developing sociological, political, historic, artistic and gastronomic knowledge of French and Spanish speaking countries.
- We want our pupils to be proud to take part in opportunities to travel abroad, experience other cultures first hand, and hear from a variety of speakers.
- We are proud to share our love of language learning and open-mindedness to other cultures.
