Executive Headteacher: **Mrs H Frost-Briggs BA (Hons)**  
We are **AMBITIOUS**. We are **COMMITTED**. We are **PROUD**.

## Science Revision Guides

Dear Parent / Carer,

As a school we can purchase science revision guides to support your child's study at a discounted rate. The revision guides contain all the course content summarised into key notes and diagrams, with problems for students to attempt to support their revision. We are able to supply revision guides to purchase for all students studying sciences at GCSE and A-Level.

### **CGP Combined Science Revision Guide (Year 9 - 11 Combined Science)**

We can partially subsidise and supply these revision guides to all of our Year 9 – Year 11 students at a discounted price of £3.50 for students. This represents a saving of £8.49 compared to purchasing from CGP directly.

### **CGP GCSE Biology / Chemistry / Physics Revision Guides (Year 10 + Year 11 Separate Science Students Only)**

For students studying separate sciences there are 3 individual revision guides for each science. We can supply these to Separate Science Students at a discounted rate of £5.00 for the full set. This represents a saving of £15 compared to purchasing from CGP directly.

*Students in Y10 and Y11 studying Separate Sciences who have previously purchased a Combined Science Revision Guide from the school are able to swap this for Separate Science Revision Guides for no extra charge (subject to the revision guide being in an acceptable condition). To do so please bring the revision guide to myself.*

### **A-Level Science Revision Guides (A-Level Science Students Only)**

Following excellent feedback from last year's cohort on their quality, we now supply the OUP Oxford Revise series for our A-Level courses. We can source and supply these at a discounted price of £10.00 per science required. If your child would like to look at these revision guides before purchasing to see if they are suitable, we currently have some in stock the science department they can look at before deciding to purchase.

The window for purchasing revision guides from Parent Pay will be between 19/09/24 and 31/10/24. Orders will be placed with our suppliers after this date and revision guides will be ready for students to collect shortly afterwards.

Regretfully, I am unable to guarantee availability of revision guides after this window has ended.

Kind Regards

Mr W Brown  
Head of Science
