# The Ripley Academy Uniform Policy

## Core Purpose

The core purpose of the uniform policy is to;

- Encourage a sense of pride, equality and cohesion in the school
- Protect students from social pressures to dress in a particular way
- Ensure students present the school in a positive way in the community
- Inspire individual responsibility and professionalism for personal presentation

The intention is that the uniform is smart, comfortable and as inexpensive as possible. It is, however, a condition of students joining the school that they wear correct uniform at all times, including travelling to and from school.

## **Enforcement of the Uniform Policy**

It is the responsibility of the parents/carers to ensure that their child comes to school in the correct uniform and we ask for full support in all students adhering to this policy. All staff are responsible for ensuring students are correctly dressed in class and elsewhere on the school site.

All staff will challenge students with uniform infringements by marking uniform issues on students' Standards Cards. Where a student attends school without the correct uniform, they will be directed by their Form Tutor to report to Student Services Reception, where the appropriate uniform items will be issued on loan for the duration of the school day. A student's mobile phone will be retained by the school until the loaned items are returned at the end of the day. If the required uniform item cannot be provided on loan, parents or carers will be contacted and asked to bring the correct item into school. Any refusal by a student to wear the uniform provided on loan or to surrender their mobile phone will result in the student being placed in the Focus Room for the remainder of the day.

Students who receive three uniform infringements in a half-term will be issued with a Stage 1 (30 minute) centralised detention and a letter will be sent home to parents/carers.

In the case of jewellery/piercings and other accessories, the student will be asked to remove the item, which may then be confiscated and held in Student Reception. Students will be able to collect confiscated items at the end of the school day. Where repeat infringements take place, parents/carers or an adult acting under the parent's consent, may be asked to collect the confiscated items from reception.

The Headteacher is the final authority in all matters of uniform and dress code.

## **Cost of Uniform**

We want to ensure that the uniform is affordable for all families and does not lead to students feeling socially excluded or unable to afford other necessities.

The school is committed to ensuring that its uniform policy does not place unnecessary financial pressure on families. To support this, a range of pre-loved school uniform items is available within school. Parents and carers who wish to access pre-loved uniform are encouraged to contact the school directly; all requests will be managed with discretion, sensitivity, and respect for confidentiality.

Where appropriate, parents and carers are also encouraged to purchase affordable, non-branded items such as plain grey jumpers, trousers, and skirts from alternative suppliers, including supermarkets, which often provide good-quality uniform items at lower cost. The school recognises that flexibility in sourcing these items helps to ensure that all pupils are able to meet uniform expectations without undue financial hardship.

## **Issues arising from the policy**

Parents/carers should raise any issues relating to school uniform, dress codes or other aspects of appearance with their child's Head of Year in the first instance.

**It is very helpful if all items of clothing are clearly marked with the student's name which will enable them to be returned in case of loss.**

**The Ripley Academy accepts no responsibility for the security of confiscated and personal items, including mobile phones. These are brought into school at the owner's risk.**
