Dear Parent / Carer and Student

External exams and results

With our external summer exams fast approaching, students have now been provided with their individual exam timetables.

For students, it is important that you prepare yourself appropriately for your exams by following these guidelines:

- Read your timetable carefully; be clear about all arrangements.
- Students **must** use their legal names on exam papers and should also complete their candidate number on every exam paper.
- Plan and revise thoroughly; get in the right frame of mind before the exam.
- Ensure you get plenty of rest.
- Arrive in plenty of time with the correct equipment to start the exam.
- Line up quietly and enter the exam hall silently when asked to do so.

Morning examinations will start at **9am** and afternoon exams will start at **1.05pm**. School lunchtimes will change for all students to run from 12.25pm to 1.05pm throughout the exam season.

At the start of each exam a register will be taken while you are lined up. Be sure to be in row and seat order. It is important that you are in the correct seat for your exams. To ensure there are no delays to the start of the exam please be lined up 15 minutes before the start time unless advised otherwise.

You are not allowed to bring notes, mobile phones, watches of any kind or any other data storage or programmable device into the examination room. All personal belongings, including mobile phones, will be placed in the storerooms before the start of the exams (bags and coats will **not** be placed at the front of the gym). We strongly advise that pupils do not bring expensive items, such as mobile phones, into school as **The Ripley Academy will not accept any responsibility for any items that are lost or damaged**.

During the examination there is no communication permitted. If you require the invigilator, please raise your hand and they will approach you as soon as possible. The invigilator cannot provide any assistance with instructions or answers.

All students will remain in the exam room until the scheduled end of the examination.
