Dear Parent/Carer,

I am writing to inform you of the upcoming examinations; you will find a copy of the schedule attached to this letter. Students will also receive their own individual timetables. The examinations will take place over a one-week period commencing Wednesday 6th January 2027.

To be successful, students should prepare for the exams by creating a study schedule. Independent study time could include completing past exam papers, actively revising topics covered in courses so far and practising key skills.

All students are expected to have the following basic equipment for their exams:

- At least two pens with black ink
- Pencil
- Eraser
- Ruler
- Calculator (when required)

Your continued support is very much appreciated.

Further information regarding examination regulations and expectations will be shared with students in school prior to the examination period. Here is a useful link to information provided by JCQ specifically for students sitting exams this year Information for candidates documents - JCQ Joint Council for Qualifications
I wish all our students the best of luck for their exams!

Yours sincerely

Mrs J Thawley
Deputy Headteacher
