Dear Parent/Carer,

Our Year 13 students have the opportunity to take part in a project aimed at students who are interested in applying for degree apprenticeships after they finish Sixth Form.

This is a series of workshops to support students with their applications as well as developing their professional online presence through LinkedIn and other skills.

The next set of workshops are on **Thursday 19th November** from 9.30am -12.30pm, hosted at The Kimberley School. We will travel to and from The Kimberley School on the school minibus. Students will need to ensure that they come to **Sixth Form after form time**, so that we can leave promptly. We will return to school for period 4.

Spaces are limited to the capacity of our minibus, so students need to return the reply slip promptly to Ms Iwanczuk to secure their place.

I would encourage students to take a breaktime snack and drink with them, as there will be a break between sessions but no opportunity to buy any food there.

It would be useful if students have access to a device like a laptop or a tablet, however we can provide devices for students who don't have their own. If they bring their own, it will be most helpful if it can be fully charged as access to charging sockets will be limited.

If you have any further questions, please don't hesitate to email me.

Yours sincerely,

Ms E Iwanczuk
Assistant Headteacher – Sixth Form

I give permission for my child …… to attend the degree apprenticeship workshop at The Kimberley School on Thursday 19th November 2026.

I understand that if my child takes their own device for the session, that they are responsible for it throughout.
